Concern	ning tne Property at
If the a	answer to any of the items in Section 3 is yes, explain (attach additional sheets if necessary):
*A:	single blockable main drain may cause a suction entrapment hazard for an individual.
of rep	on 4. Are you (Seller) aware of any item, equipment, or system in or on the Property that is in need air, which has not been previously disclosed in this notice?  uges for the property that is in need air, which has not been previously disclosed in this notice?  uges for the property that is in need air, which has not been previously disclosed in this notice?  uges for the property that is in need air, which has not been previously disclosed in this notice?  uges for the property that is in need air, which has not been previously disclosed in this notice?  uges for the property that is in need air, which has not been previously disclosed in this notice?
	on 5. Are you (Seller) aware of any of the following conditions?* (Mark Yes (Y) if you are aware and wholly or partly as applicable. Mark No (N) if you are not aware.)
YN	Present flood insurance coverage (if yes, attach TXR 1414).
	Previous flooding due to a failure or breach of a reservoir or a controlled or emergency release of water from a reservoir.
	Previous flooding due to a natural flood event (if yes, attach TXR 1414).
	Previous water penetration into a structure on the Property due to a natural flood event (if yes, attach TXR 1414).
	Located  wholly partly in a 100-year floodplain (Special Flood Hazard Area-Zone A, V, A99, AE, AO, AH, VE, or AR) (if yes, attach TXR 1414).
	Located ☐ wholly ☐ partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded)).
0 0	Located ☐ wholly ☐ partly in a floodway (if yes, attach TXR 1414).
OZ	Located ☐ wholly ☐ partly in a flood pool.
	Located  wholly partly in a reservoir.
If the a	answer to any of the above is yes, explain (attach additional sheets as necessary):
"10	or purposes of this notice:  O-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a special flood hazard area, ich is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map; (B) has a one percent annual chance of flooding, which

"Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.

Page 3 of 6

is considered to be a high risk of flooding; and (C) may include a regulatory floodway, flood pool, or reservoir.

<sup>&</sup>quot;500-year floodplain" means any area of land that: (A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated on the map as Zone X (shaded); and (B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding.

<sup>&</sup>quot;Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers.

<sup>&</sup>quot;Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.).

<sup>&</sup>quot;Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation more than a designated height.

Co	ncernin	g tne Property at
pr	ovide	6. Have you (Seller) ever filed a claim for flood damage to the Property with any insurance r, including the National Flood Insurance Program (NFIP)?*   yes no If yes, explain (attach al sheets as necessary):
	Even	es in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate risk, ow risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s).
Ac	dminis	7. Have you (Seller) ever received assistance from FEMA or the U.S. Small Business stration (SBA) for flood damage to the Property?   yes no If yes, explain (attach additional sheets ssary):
		8. Are you (Seller) aware of any of the following? (Mark Yes (Y) if you are aware. Mark No (N) if not aware.)
<u>Y</u>	N	Room additions, structural modifications, or other alterations or repairs made without necessary permits, with unresolved permits, or not in compliance with building codes in effect at the time.
		Homeowners' associations or maintenance fees or assessments. If yes, complete the following:  Name of association: PLOE WOOD RESIDENTIAL COMPOSITY PASSOC.  Manager's name: MPRK PACHECO Phone: ZIY - 871 - 9700  Fees or assessments are: \$632.00 per FER and are: Manadatory Voluntary  Any unpaid fees or assessment for the Property? Ves (\$) Ino  If the Property is in more than one association, provide information about the other associations below or attach information to this notice.
		Any common area (facilities such as pools, tennis courts, walkways, or other) co-owned in undivided interest with others. If yes, complete the following:  Any optional user fees for common facilities charged?   yes   no If yes, describe:
	Z	Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.
		Any lawsuits or other legal proceedings directly or indirectly affecting the Property. (Includes, but is not limited to: divorce, foreclosure, heirship, bankruptcy, and taxes.)
		Any death on the Property except for those deaths caused by: natural causes, suicide, or accident unrelated to the condition of the Property.
	A	Any condition on the Property which materially affects the health or safety of an individual.
	Z	Any repairs or treatments, other than routine maintenance, made to the Property to remediate environmental hazards such as asbestos, radon, lead-based paint, urea-formaldehyde, or mold. If yes, attach any certificates or other documentation identifying the extent of the remediation (for example, certificate of mold remediation or other remediation).
	Z	Any rainwater harvesting system located on the Property that is larger than 500 gallons and that uses a public water supply as an auxiliary water source.
	Z	The Property is located in a propane gas system service area owned by a propane distribution system retailer.
	the an	Any portion of the Property that is located in a groundwater conservation district or a subsidence district. swer to any of the items in Section 8 is yes, explain (attach additional sheets if necessary):
